**Announcement of Renovation at "Sirius" All-Day Dining Restaurant**

Dear guests,

Thank you for choosing The Orion Hotel Motobu Resort & Spa.

In our commitment to providing an even more exceptional experience, we will be conducting renovation work at our All-Day Dining Restaurant, "Sirius," as detailed below.

This enhancement will allow us to better serve you with a refreshed atmosphere and improved facilities. During this renovation period, we will continue to offer our dining services at alternative venues: The Banquet Hall "Orion" or "Ristorante Glauco". Please be assured that the menu offerings and quality of service will remain unchanged.

We deeply apologize for any inconvenience this temporary closure may cause and kindly ask for your patience and understanding.
